WHEREAS, pursuant to the Memorandum from the Executive Secretary dated 10 September 2021, the IATF was authorized to approve any modifications to the list of Red Countries, subject to the favorable recommendations of the Department of Health and Department of Foreign Affairs;

WHEREAS, a new COVID-19 variant, denominated as B.1.1.529 and designated as a Variant of Concern, was first detected in Botswana and has since been detected in South Africa;

NOW, THEREFORE, BE IT RESOLVED, as it is hereby resolved, that upon the recommendations of the Task Force on COVID-19 Variants, the following border control measures shall be put in place until 15 December 2021:

- A. Effective immediately, the testing and quarantine protocols for countries/jurisdictions/territories classified as “Green” are hereby temporarily suspended. With respect to travelers from countries newly classified as “Red,” the following protocols shall be in place:

1. The inbound international travel of all persons, regardless of vaccination status, coming from or who have been to “Red List” countries/jurisdictions/territories within the last fourteen (14) days prior to arrival to any port of the Philippines shall not be allowed. Only Filipinos returning to the country via government-initiated repatriation, non-government-initiated repatriation, and Bayanihan Flights may be allowed entry subject to the prevailing entry, testing, and quarantine protocols for “Red List” countries/jurisdictions/territories.
