CITIZEN'S CHARTER
2024 (5th Edition)

MESSAGE

As we continue our efforts in the Ease of Doing Business initiated by the Anti-Red Tape Authority, it's imperative to emphasize the importance of continuous support and commitment, regardless of changes in management. Upholding efficiency, transparency, and accountability remains our steadfast goal. By embracing these principles, we pave the way for smoother operations and better service delivery.

The strides we have made endure beyond transitions, fostering a culture of streamlined processes and citizen-centric service delivery. The MIAA continue to persevere in our mission to eliminate bureaucratic hurdles and cultivate an environment of responsiveness and effectiveness.

ERIC JOSE C. INES
General Manager

I. Mandate

Executive Order No. 778, as amended by Executive Order No. 903 mandates the Manila International Airport Authority (MIAA) to:

- Formulate and adopt for application in the airport internationally acceptable standards of airport accommodation service;
- Upgrade and provide safe, efficient and reliable airport facilities for international and domestic air travel;
- Help encourage and promote international and domestic air traffic in the country as a means of making the Philippines a center of international and domestic air travel;
- Perform other functions as maybe provided by the law while maintaining financial viability as an autonomous government entity.

II. Vision

By 2028, NAIA will be a digitally transformed airport providing seamless connectivity and excellent customer experience showcasing Filipino Hospitality and gender inclusivity.

III. Mission

To provide a safe, secure, seamless, and sustainable airport environment contributing to the economic growth of the Philippines

IV. Service Pledge

We commit to:

- Provide access to relevant, reliable, and consistent information to enhance travel and passenger experience;
- Be courteous and professional in providing assistance at all points of contact with Airport clientele at all times.
- A well-organized passenger movement for maximum fluidity;
- Apply adequate safety and security measures and promptly respond to emergencies to effectively prevent any untoward incidents;
- Be responsive in handling customer complaints;
- A continuous improvement of people, processes and facilities that will inspire confidence, assure comfort, and strengthen the safety and security of Airport Users.
